Certification Confirmation Letter

Reference according to Application Form: **1757**

Sample specification according to Application Form: **100 % TENCEL®**

Dear Mrs. Silva,

your sample has been tested according to our internal standard tests and complies with the requirements and preconditions as set out in the Lenzing Certification Terms. We have therefore issued the Certificate with the following Certification Number:

- C- number **11703747**

Please note that the fabric aesthetic changes during household washing. This leads to a fading of the shade which might be unacceptable for downstream customers in darker shades.

You are entitled to use the Certification Number:

- as from the issuing date of this confirmation letter (the "Effective Date") for a fixed period of 2 years,
- in accordance with the Certification Terms accepted by you in connection with your application for the Certificate and which for your convenience are again attached to the certification confirmation letter (Annex 1). With this number you are also personally entitled to apply for a trademark license or Swing Ticket / Sticker for

Trademark **TENCEL®**

for the above mentioned sample according to the Lenzing Trademark License Terms / Swing Tickets and Sticker License Terms as long as the above mentioned certification number is valid available online at <https://branding.lenzing.com>.

-
- Any tests referred to have been carried out by Lenzing using internally agreed test methods, designed to assess whether any problems are likely to arise with the sample(s) of which you provided in either further processing or in garment care. They are not intended to replace the normal fabric manufacturer, product manufacturer or retailer testing, nor do they give any guarantee as to the performance/ material composition of these fabrics in a specific garment program. The Certificate does not constitute any specific seal of quality or seal of approval.

We would like to thank you for using our marketing support and we are looking forward to further cooperation.

Best regards
