## **Certification Confirmation Letter** **In reference to application ID: APPL1911502**

We hereby issue the Lenzing Certification for:

- Company: TINTEX TEXTILES, S.A.
- Product name: 5103
- Claimed Composition: LENZING™ Modal 80%, Linen / Hemp / Ramie 20%

Your sample has been tested according to our internal standard tests and complies with the requirements and preconditions as set out in the applicable Lenzing Certification Standard. We therefore issue the Lenzing Certification with the following Lenzing Certification Number:

**119000109840**

The company TINTEX TEXTILES, S.A. is entitled to use the Lenzing Certification Number

- as from the issuing date of this confirmation letter (the "Effective Date") for a fixed period of 2 years,
- in accordance with the Lenzing Certification Terms accepted by you in connection with your application for the Lenzing Certification.

With the Lenzing Certification Number one is entitled to apply for a Product License or other marketing materials within the Lenzing E-Branding Service, only in relation with the above stated product for which the Lenzing Certification was issued and in accordance with the Lenzing Certification Terms and Lenzing Product License Terms for the following Lenzing fiber types.

**LENZING™ Modal**

as long as the above mentioned Lenzing Certification Number is valid.

Innovative by nature

www.lenzing.com

Within the Lenzing E-Branding Service one will be guided to the applicable B2C trademark (Brand and Branded Offer) such as TENCEL™, LENZING™ ECOVERO™ and REFIBRA™.

Any tests referred to have been carried out by Lenzing using internally agreed test methods, designed to assess whether any problems are likely to arise with the sample(s) of which you provided in either further processing or in garment care. They are not intended to replace the normal fabric manufacturer, product manufacturer or retailer testing, nor do they give any guarantee as to the performance/ material composition of these fabrics in a specific garment program. The Lenzing Certification does not constitute any specific seal of quality or seal of approval.

Best regards

**Angelika Karlsberger**
