S. Maria a Monte (PI), 17/02/2021

Dear Genuine Way SA,

by means of this signed letter, we – MARIO DONI – hereby declare that we **do not hold any production stock**, but instead **only produce our products on demand**. We are an environmentally friendly brand and our corporate policy is to avoid any waste of unsold items.

We have worked this way until now and intend to keep doing so in the spirit of the “Slow-Fashion” philosophy.

Best regards,

Carlo Pierucci
